Internet Safety

This week we have taken part in internet safety week. The children have been learning how and why it is important to stay safe online through a range of activities and events.

Mr Reddy started our internet safety week with an assembly to introduce our focus: online identity.

Children made videos explaining the importance of being safe online, you can find these on Twitter! Each class also created a digital footprint which included websites they use and showed children how they leave a mark on every website they visit.

The children have really enjoyed exploring internet safety and have shown a really good understanding of its importance.

Attendance w/c 10th February 2020

1st	Lower School	100%

Team Points

This week **Blue** team had the most points.
Well done **Blue** team!

Thank you!

A huge thank you to everyone for all of the amazing donations for our upcoming PTA Mothers Day event and for supporting our PTA disco. The items we received for our non-uniform day were so lovely and will make great raffle prizes. The disco was a huge success and the children (and adults) all had a wonderful time!

Details for upcoming events can be found on the flyers attached.

I hope you enjoy a lovely half term break!
