World Book day Celebrations — Friday 6th

March

We will be celebrating World Book Day on Friday 6th March. Children are invited to come to school dressed up as their favourite book character on this day. The children will be taking part in a range of World Book Day themed activities throughout the day. We look forward to seeing what book characters arrive at school!

PTA events this half term

The PTA have organised two events for this half term. The 'Special Ladies gift sale' on Wednesday 18th March and the 'Mothers Day Afternoon Tea Party' on Friday 20th March. Please see the flyers attached for more details.

Parking

A polite reminder that cars should not park on the zig zag lines outside the school as this causes traffic congestion and is a hazard for children walking to and from school.

I appreciate your support with this matter as I know that you all want to ensure that our children get to school safely.

I hope you enjoy a lovely weekend.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin it

Kill it
by washing
your hands with
soap & water or
hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks
& sport
activities

Before
cooking
& eating

SCHOOL
ETC.
On arrival at
any childcare
or educational
setting

After using
the toilet

Before
leaving
home

Try not to touch your
eyes, nose, and mouth
with unwashed hands

Do not share items that come
into contact with your mouth
such as cups & bottles

If unwell do not share
items such as bedding,
dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings gov.uk/government/publications/guidance-to-educational-settings-about-covid-19. Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
