

Friday 3rd July 2020

Dear Parents / Carers,

I hope you and your families are all well and continue to be well. As I am sure you are aware, this week Gavin Williamson announced the Government's plans for the re-opening of schools for all pupils at the start of the Autumn term. The school will review the Government's guidance over the coming days and assess its implications for our school. Before the end of term we will publish our arrangements for September, so you can be fully prepared for the new academic year. We are very much looking forward to welcoming back all of our children in September!

Online Safety

During school closures we are aware that children may be spending an increased amount of time online. Online safety is an important part of keeping children safe at Bulphan so please find below some helpful links which you may like to consider as to how you can keep your family safer online at home. Please look at our e-safety page on the school website too.
