9th January 2020

Dear Parents/Carers,

As you may know we have been using the online reading resource 'Bug Club' to support reading in our school. We would like to invite you to attend our Bug Club Launch Day on the morning of **Tuesday 4th February**.

All classes will have a designated slot to enjoy learning about Bug Club and use it interactively with parents and their teachers in their learning environment.

A short presentation will be shared with you by Miss Harris and any questions can be asked freely in this time. This will show children and parents how to log on and enjoy the resources to its full potential. A parent Bug Club Pack will also be given out at this time.

If you have children in different classes you can choose one session to attend with both of your children.

The times for the sessions are detailed on the form below. Please complete the attached form to let us know if you will be attending. Please hand the form in by Monday 27th January.

Yours faithfully,

Miss Finch
Headteacher
