25th February 2020

Dear Parents/Carers,

It is now approaching the time of year when we begin to think about the preparation and run up to SATs; the statutory assessments your child will undertake in May. This year the tests take place during the week beginning Monday 11th May 2020.

We want to give your child every possibility of succeeding in these tests, and would like to invite you to an information meeting regarding SATs on Thursday 2nd April 2020 at 8.30-8.50am.

During this meeting we will make you aware of how the children are assessed and what is expected of them. There will be an opportunity to look at some sample questions as well as strategies you can use at home to support your child with both revision and preparing for the tests.

Please complete the attached form and send back to school with your child by Friday 6th March so we know how many of you to expect. If you are unable to come to the meeting please speak to Miss Harris, but please do try and come to the meeting if at all possible.

Yours sincerely
