Thank you for sending in photos of work the children have been doing at home . We have all really enjoyed seeing what great things you have been doing at home. Please do keep sending them in and we will put them on our website to share with everyone.

Once again if you have any queries, questions or just need to talk, please feel free to contact us.

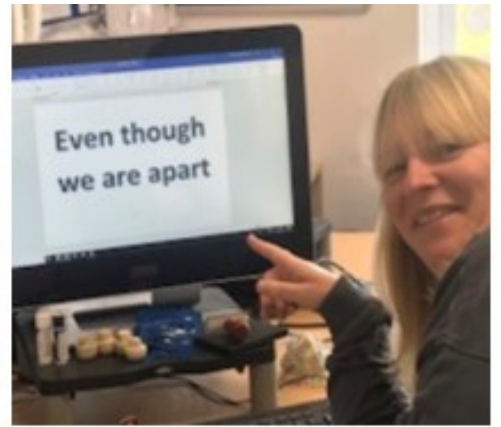

Contact

Over the next two weeks the teachers will try and make contact with all of you to say hello. The teachers would love to speak to the children on the phone (if they want to). When teachers call it may be from a withheld number. Please use this time to let us know if there is anything we can help you with. You can still contact us through the admin email also with anything we need to know.

A message from all of the staff

We wanted to send the children a message from us all, letting them know how much we are missing them and looking forward to being back at school again. Please find our specially made message on the next page!

Gods word is a lamp to guide our feet and a light for our path
