School Closure Update

Dear Parents / Carers,

I hope that this email finds you and your families well.

As you will have heard yesterday on the news, the lockdown is due to continue for at least another 3 weeks. During this time, the school will remain closed for the majority of children.

We will continue to staff the school to provide childcare for the children of critical workers as we have been doing so during the lockdown. Please could I ask that anyone who meets the criteria for school supervision to please book in by sending an email to admin@bulphanprimary.thurrock.sch.uk stating what days you need child care for.

The staff who are not coming in to school are working hard from home to ensure that the home learning packs are prepared and that we are ready to support the children both with their learning and their emotional needs when they return to school.

On Monday 20th April the new home learning packs will be emailed out and put on the school website. You may also wish to make use of these Government recommended Online Educational Resources during the school closure. Please follow this link to access them - <https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources>

Please feel free to share with us any great things you have been doing at home by emailing us at admin@bulphanprimary.thurrock.sch.uk. We have had some photos sent in already and we have really enjoyed seeing what wonderful things you have been doing at home! We will continue to add these to the school website.

We are all very much looking forward to welcoming the children back to school as soon as it is safe to do so.

Take care and stay safe,

A handwritten signature in blue ink that reads 'S. Finch'.

Miss Finch
Headteacher

'God's word is a lamp to guide our feet and a light for our path'
